

Bluebonnet Swamp Nature Center

Presents

Swamp Art Show Series: Photography 2019

The Swamp is excited to present this year's Photography Show theme, "**Multiples in Nature**". The exhibition will hang from April 16th to the 12th of May 2019. We are very excited about all the possibilities and the different perspective it will give our visitors.

If you would like to show a piece for the exhibition, we would ask that you complete the form below for your submission. You are welcome to email me at jguthrie@brec.org or fax it to the Nature Center at (225) 757-9390. The Swamp's mailing address is 10503 N. Oak Hills Pkwy. Baton Rouge, LA 70810 if you prefer to mail it in. Please have this form submitted no later than April 8, 2019 so we can get an idea as to the number of pieces to expect. Sizes and names are not required at this time. However keep in mind framing is not a requirement; but, your piece can not exceed 16x20 (framed). Also, there needs to be some type of hang fastener so as to display your work without damaging it if there is no frame.

The pieces will be due at the Nature Center by the 15th of April (Hanging Day) and can be picked up on the 12th of May when the show will be taken down directly following the art reception. The pieces can be mailed or hand delivered, and if received by mail we can return it to you the same way if needed.

Intent to Enter

Artist's Name _____

Address _____

Phone _____ Youth Entry (<17 Only)? Age _____
