

REQUIREMENTS FOR SUBMISSION OF GSCCC COMPETITION PRINTS

Pictorial Color, Black & White, and Nature Prints:

- maximum print size 16x20
- can be mounted or un-mounted, mounting board should be no larger than 20x24
- no minimum print size

You are welcome to submit the maximum size, but it is not necessary or recommended, as most LPS members submit prints sizes in the range of 11x14 or 8x10.

Photojournalism Prints:

- print sizes are 8x10 or 8x12**
- mounted or un-mounted.

The print sizes were changed in order to encourage more participation in this category.

All prints submitted for GSCCC competition must be marked on the back with the following: title of print, maker's name, LPS, and the category. Review the rules at www.gulfstatesccc.org to ensure that your print meets the eligibility requirements for the category of entry. Prints may be either commercially or self-printed. Clear sleeve for protection is optional, but recommended.

Print submissions will be collected at the monthly meetings and use the pool to submit for the appropriate category each month.

DIGITAL PROJECTION

Resize your final image to a maximum of either 1024 pixels WIDE and/or 768 pixels HIGH. Width or height may be LESS, but not more than these maximums. Be aware that images with a vertical orientation must still not exceed 768 pixels high, and thus, your horizontal will be much less than 1024 pixels wide. This does not affect quality of projection.

Email your submissions to GSCCCcoordinator@laphotosociety.com.

Name your file with yourname-image name. Please note what category you are submitting for. Please read the specifications on the GSCCC website mentioned above carefully for photojournalism and nature.
